Sacred Heart Senior Secondary School

Majitha Road, Amritsar.

Ownership

Sacred Heart Senior Secondary School, Amritsar is owned by a religious minority group, namely the Institute of the Sisters of Charity, a registered Society under Societies Registration Act XXI of 1860, of the Delhi Province of the Sisters of Charity of Jesus and Mary (SCJM).

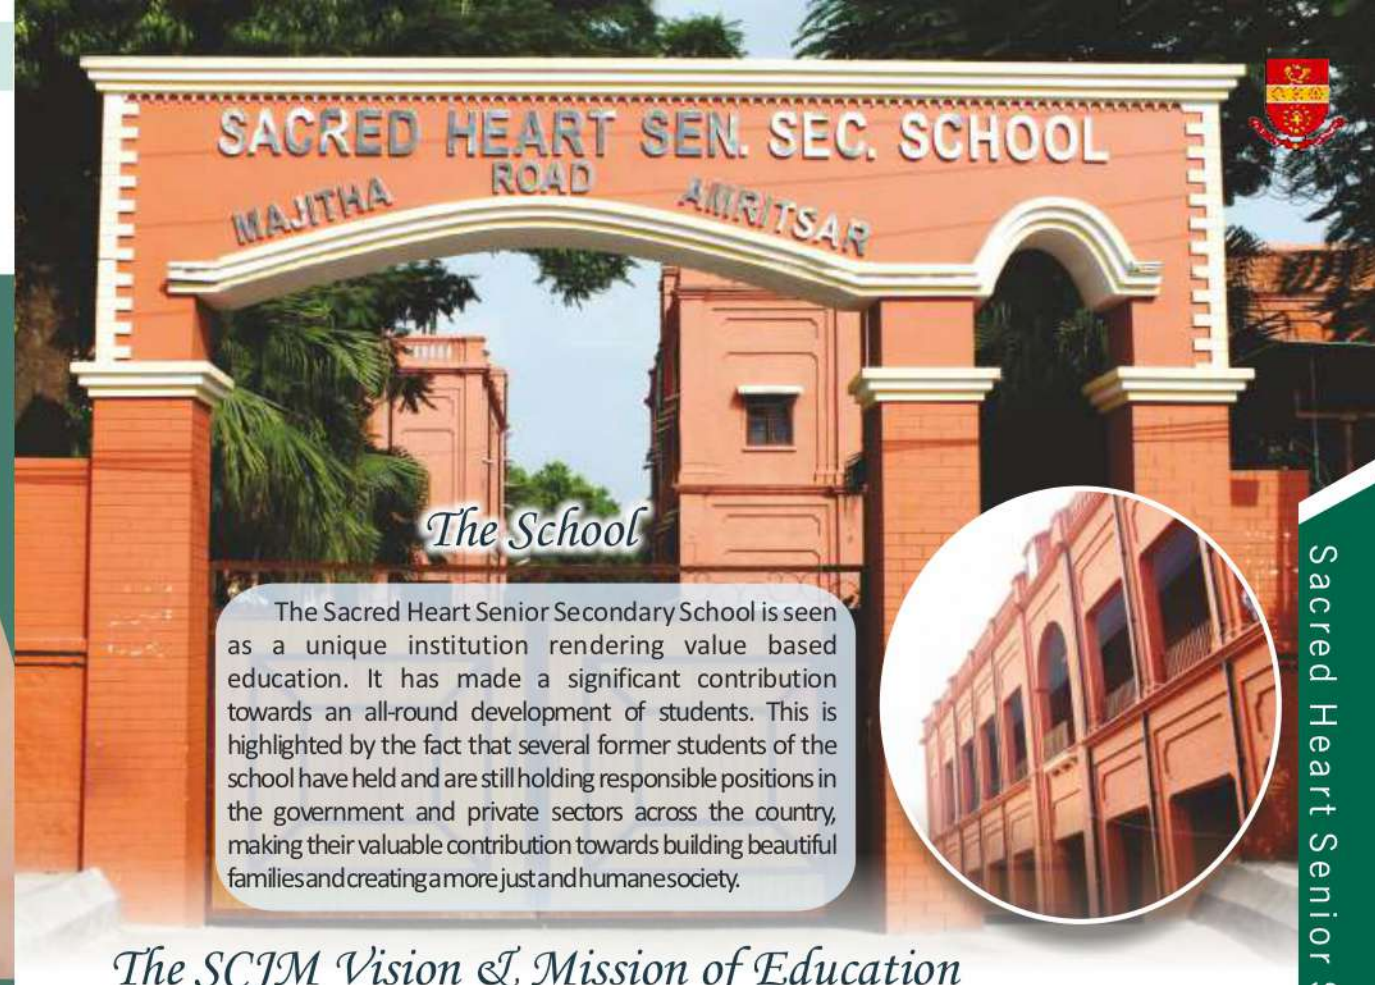

A Brief History

Sacred Heart Senior Secondary School Amritsar is a unit of the Delhi Province of the Sisters of Charity of Jesus and Mary (SCJM), an international religious Congregation, started in Belgium in the year 1803. The congregation was born in Belgium, Europe in the aftermath of the French Revolution in response to the needs of that time. The war had left untold miseries: huge financial loss, countless number of orphans and widows, mental patients, sick people, physically disabled, and the like. A notable young priest, Rev. Fr. Can. P. J. Triest, in charge of the parish of Lovendegem, Gent, was touched by this deplorable condition and took the initiative to remedy the situation. A small group of young women joined him in his endeavour to alleviate this human suffering through caring for the sick, looking after the orphans and teaching the young for the love of God and humanity. This group of women was eventually recognized and legalized as the Congregation of the SCJM, whose mission is to reveal that God is Love. They achieve this through various means such as education both formal and informal, health care and social services.

Geographically, the Congregation of the Sisters of Charity is present in Belgium, the Netherlands, Ireland, Congo, Rwanda, Mali, Vietnam, Philippines, Sri Lanka, Pakistan and India. There are about 400 SCJMs living and serving in various parts of India.

The pioneering Sisters who had come from Europe in 1897 had already begun charitable services in Lahore, then part of the great India. Their earnest desire to share the Christian message of love and be at the service of humanity through education, irrespective of caste, creed, gender and culture, urged them to move on further.

The SCJM Vision & Mission of Education

The Congregation of the Sisters of Charity of Jesus and Mary believes in and values the educational mission of helping individuals to discover their dignity as human persons and children of God. They are committed to help bringing about a harmonious and humane society.

The endeavour, therefore, is to foster the personal growth of the individuals in becoming intellectually competent, morally sound, psychologically balanced, physically fit, imbued with a sense of the Divine, respectful of the environment, committed to the cause of justice, love and peace and ever receptive to the challenges of continual growth.

Our VISION in the field of education, therefore, aims at creating a society free from prejudices, superstitions and discriminations based on gender, caste, creed, colour or economic status. The emphasis is on inclusivity, care and concern for one another, especially the underprivileged.

To implement this vision, the Congregation expects the collaboration of a supportive and inspiring management, committed staff, parents and students both of the past and present, the neighbourhood community and govt. authorities.
